ASA NewsNote August 7, 2013

Dear @@first_name@@,

By all accounts, the 68th annual meeting in Nashville was a big success. About 40% of the attendees had never been to an ASA meeting before and all were very impressed. If you couldn't be there, [listen](#) to the audio recordings and [see](#) the videos of the plenary talks and the banquet speaker.

Make your plans now to attend next year's [meeting](#) at McMaster University in Hamilton, Ontario on July 25-28, 2014.

If the links in this note do not work on your system, go to our website at www.asa3.org and click on the annual meeting menu.

Website tips: Forgot your username or password? Usually, your username is your email address unless you have changed it or if we do not have your address. Click on "Forgot your password?" to get an email with a link valid for 24 hours to reset your password. If all else fails, send us a [note](#) but don't register again!

When signed in. browse through the

ODDS AND ENDS

God and Nature

Don't miss the excellent [article](#) by Fred Heeren on one of the world's top hominid fossil hunters.
