### ASA OFFICES ARE MOVING!

Dear Colleague,

We are delighted to announce that after 30 years in Ipswich, MA, the ASA offices are moving to the neighboring town of Topsfield. We have secured an excellent opportunity to purchase an office condominium, allowing ASA to own a real asset, build long term equity and establish a strong financial foundation for its future. The closing date for this nicely furnished and upgraded office condo is September 4 and our plan is to move by late September. We appreciate your prayers as we begin the work of packing and moving 30 years of accumulated belongings! Learn all about it in this [video clip](#).

**The ASA 2014 Financial Report** was presented at last week's annual meeting by Executive Council Treasurer, Lynn Billman. We are most grateful for God's provision as we ended our fiscal year on a strong financial note. Many thanks to you - our many members, friends and donors - for your faithful support. As we enter our new fiscal year with it's new challenges, we are confident of God's continued faithfulness and provision. Please check out [handout](#) and [this video](#) for more information. I welcome your comments and questions so please feel free to contact me directly.

Gratefully yours,

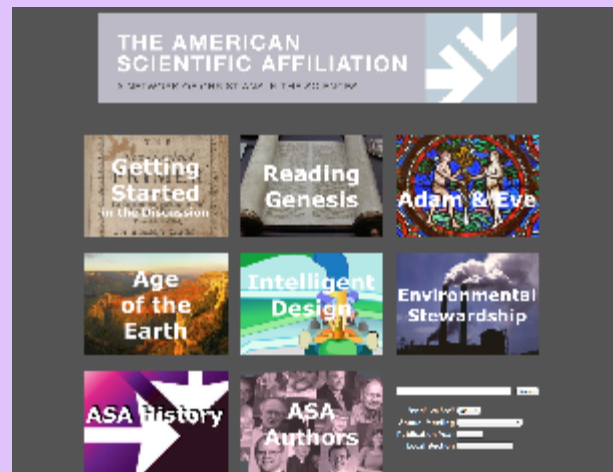

Randy Isaac  
Executive Director

### ASA/CSCA/CiS 2014 Annual Meeting

Enthusiasm filled the air at McMaster University on July 25-28 as a record 277 people gathered for the ASA annual meeting, held jointly with CSCA and CiS, our sibling organizations in Canada and the UK. Our next newsletter will tell you all about it. Meanwhile, take time to listen to some of the talks and review the slides that are posted [here](#).

### NEW! ASA Resource Organizer

At the communications meeting, Terry Gray rolled out the launch of a new organization system that helps make ASA archival resources more easily accessible to everyone. Click on the icon below to open the landing page and send your feedback and suggestions to [Terry](#) as he continues to work on the project.
