

ASA NewsNote November 14, 2014

Dear Colleague,

The October Student Membership Drive was a great success with 239 students joining the ASA, far surpassing our goal of 150. Leading the way was Oral Roberts with 80, Gordon College with 26, and Cal Baptist and Westmont tied for third with 17. Thank you all for spreading the word!

Oral Roberts University is the host of our annual meeting in 2015. The ASA staff visited the site the last week in October and were pleased with the facilities and the enthusiasm of the students and staff. Don't miss this event in Tulsa, OK, on July 24-27, 2015.
