

The American Scientific Affiliation

ASA NewsNote December 29, 2014

Dear Colleague,

- **Year-end Giving.** We are grateful for the generous response to our funding campaign as shown in the charts to the right. There are two more days to make a 2014 tax-deductible gift to the ASA. With your help, we are confident that we can reach our goals. Please [donate online](#) today or postmark your check by December 31.
- **Capital Campaign Pledges.** In addition, we are seeking three-year pledges toward our capital campaign. Our goal is to fund this campaign by September 30, 2018. Please consider making your pledge today.
- **December Gift Membership Drive.** Many of you have given a one-year ASA membership to a friend or colleague. Until December 31, for only \$10, ASA members can buy a promotional code for a free membership to give to someone. [Click here](#) to get your gift now.
- **ASA'ers at AAAS.** Will you be attending the [AAAS meeting](#) in San Jose this February? If so, please [let me know](#) and we can plan an ASA gathering after the [DoSER reception](#).

Happy New Year,

Randy Isaac
Executive Director
