

ASA NewsNote April 2, 2015

Thank you!

Dear Colleague,

You helped make fiscal year 2015 an amazing year.

Annual Fund Goal Met:

We're thrilled to report that we received \$145,312 for our annual fund, exceeding our goal of \$145,000.

We are most grateful and thank you from the bottom of our hearts. What a message of encouragement and support that you have given us.

Capital Campaign Off to a Great Start:

Our 4-year capital campaign fund has received \$70,120 toward the \$150,000 goal by September 30, 2018. The office condo that we purchased was the site for our recent ASA Executive Council meeting, drawing high praise from council members.

Membership:

The biggest opportunity for ASA is to increase its membership base. Most new members join ASA because they were encouraged to do so by their colleagues. Please spread the word to your friends and colleagues to support our important ministry.

Good reading:

Have you read the latest issue of [God and Nature](#)? Or the March 2015 issue of [PSCF](#)? Or the winter 2014 issue of the [ASA/CSCA Newsletter](#)? They're online and a great resource for everyone.

Gratefully yours,
Randy Isaac
Executive Director

ASA Executive Council Meeting

The ASA Executive Council met at the new ASA offices in Topsfield, MA, on March 27-28, 2015. The office condos were a great environment for the discussions that ranged from financial details to strategic direction.

The check that put the annual fund over the top arrived in the mail a few hours before the council meeting, setting a positive tone from the start. We are pleased to report that ASA ended FY2015 on a strong financial note and are positioned for another great year. Stay tuned for more detailed information coming soon.

In looking at the strategic direction of ASA, the council is considering ways to enable effective networking between our student and full members. We are excited about a new initiative that is planned to be announced and launched in coming months.
