MEMBER APPRECIATION DINNER EVENT Watch it live on June 11

Dear Colleague,

Jennifer Wiseman is our featured speaker at the first ASA Member Appreciation Dinner event to be held at Gordon College on Thursday, June 11, 2015. She is Director of the AAAS Dialogue on Science, Ethics and Religion Program (DoSER). The DoSER Program, with the partnership of ASA, has just completed a major 3-year project investigation underlying perceptions that impact how scientists and religious communities think of one another. Jennifer will present some fascinating findings and reflections from the effort, shedding light on how scientists and religious people, in particular evangelicals, can better understand each other and communicate, and why this matters.

ASA members who are unable to come to the Boston area for the dinner can see and hear the lecture live at 8pm EDT at [this link](#). A recording will be made available later. Members must sign in with their username and password to listen to the video. Please join us for the livestream!

Gratefully yours,
Randy Isaac
Executive Director

REGISTER NOW!
ASA 2015 Annual Meeting
Oral Roberts University
Tulsa, OK
July 24-27, 2015

[Register](#) by **June 15** to get the early bird discount.
