
American Scientific Affiliation

The American Scientific Affiliation (ASA) is a scholarly and professional society. We are an international community and fellowship of Christians engaged in the interface of vital faith-science questions. Founded in 1941, the mission of the ASA is interpreting, integrating, and communicating the discoveries of science with insights of scripture and Christian theology. *Perspectives on Science and Christian Faith* is one of the means by which the results of such exploration are made known for the benefit and criticism of the Christian community and of the scientific community. The ASA Statement of Faith is at www.asa3.org → ABOUT → Statement of Faith.

PSCF Discussions

Diving Deeper Discussions (DDD) is a monthly series of Zoom discussions for ASA members and their friends to think more deeply about an article or book review published in *Perspectives on Science and Christian Faith*. The discussions are held on the second Saturday of every month at 2 pm Eastern time. Recordings are stored on the ASA YouTube channel. Upcoming DDD are at www.asa3.org → Resources → Programming → Diving Deeper.

Canadian Scientific & Christian Affiliation

The Canadian Scientific and Christian Affiliation is the expression of the ASA in Canada. It was formed in 1973 with a distinctively Canadian orientation. The CSCA and the ASA share publications (*Perspectives on Science and Christian Faith* and the *God and Nature* magazine). The CSCA subscribes to the same statement of faith as the ASA; however, it has its own governing body with a separate annual general meeting in Canada.

How Do I Join the ASA?

Anyone interested in the objectives of the Affiliation may have a part in the ASA. Membership and subscription applications are available at www.asa3.org → MEMBERSHIP → Join ASA or Subscribe to PSCF.

Regular Membership: Open to all persons who give assent to our statement of faith and meet at least one of these criteria: (1) have attained a bachelor's or higher degree in a science-related discipline, where science is interpreted broadly to include any disciplines of natural and social science, health sciences, technology, engineering, and mathematics (such as but not limited to, anthropology, archaeology, economics, history, medicine, political science, psychology, and sociology), or (2) are philosophers, historians, Bible scholars, theologians, or other professionals whose vocational activity contributes to the intersection of faith and science. Regular members receive all member benefits and publications and take part in all the affairs of the ASA, including voting and holding office.

Associate Membership: Available to those interested who may not meet the criteria of a regular member but can give assent to our statement of faith. Associates receive all member benefits and publications and take part in all the affairs of the ASA except voting and holding office.

Student/Early Career Membership: Available to anyone enrolled in an undergraduate or graduate program, or to advanced high school students as well as to early career professionals (defined as the first three years from the last degree). Student/early career members are eligible to participate in all the affairs of the ASA except voting and holding office.

Friend: An individual or student wishing to participate in the ASA without giving assent to our statement of faith may become a Friend. All benefits apply with the exceptions of voting rights and holding office. Friend dues are the same as the selected membership type.

Subscriptions to *Perspectives on Science & Christian Faith* (PSCF) are available at \$55/yr. (individuals), \$110/yr. (institutions), and \$20/yr. (student premier).
