ASA 2015 ANNUAL MEETING Oral Roberts University, Tulsa, OK July 24-27, 2015

CALL FOR ABSTRACTS

Dear Colleague,

The 2015 ASA Annual Meeting is coming up in July and the deadline for submitting abstracts is right around the corner: **February 17th!** This year's theme **Hearing God's Voice in Nature** is providing fertile ground for some very interesting ideas. How do we hear God's voice in nature? What is He saying? How do we best steward the information we receive? I hope you've been thinking about these questions, and delighting in what God is doing.

Great are the works of the Lord; they are pondered by all who delight in them. (Psalm 111:2 NIV)

We are looking forward to your contribution to the meeting. And don't forget about the sand volleyball tournament! Come prepared to enjoy rewarding fellowship, insightful technical engagements, exciting tours and workshops, and just plain fun.

See you there,

Dominic Halsmer,
Program Chair
